Parents of K-12 students - This is an opportunity of a life time for our Covington youth.

From a Covington Music Student that went on this trip –

“On Sunday afternoon, Dec. 28th, 2008, Jonathan & Emmi Rehmert, along with 20 members of the Covington Band of Bucc Pride, 2 sixth grade band members, 6 chaperones & a friend, loaded a tour bus & headed for sunny Orlando, Florida. They were going down to celebrate the end of another successful Marching Band Season.”

“After a long bus trip down, the band arrived around 8:00 on Monday morning. After a quick breakfast, they headed to their first stop, Universal Studios. Everyone was ready for a week of fun & relaxation.”

“Tuesday morning found the entire band members headed to a Music Workshop on the Disney property. They learned about the different Disney Parks & the making of the Disney Movies. While there, they were able to play some of the music from the different Disney movies. They also had the opportunity to play music from the Disney movie "Aladdin" & have it made into a DVD. It was a wonderful learning experience for them.”

“After finishing up a morning of work, it was time to head to the Magic Kingdom.”

“Wednesday found everyone at Epcot. Even with the crowds, everyone was able to enjoy the day & welcome in the New Year. We enjoyed a beautiful fireworks display & the opportunity to welcome in 2009 with friends.”

“Thursday found our time in Florida coming to an end. After checking out of our hotel, we headed to Hollywood Studios. We were able to enjoy such rides as the Tower of Terror, Rockin Rollercoaster & Toy Story. Our day came to an end when we gathered together to watch the "Fantasmic" laser show. After the show, we found ourselves loading on the bus to head home. It was an eventful week in which friendships were formed & memories were made. Although we loved our time in Florida, we were glad when our bus pulled into Covington High School on Friday, Jan. 2nd.”

“We would like to thank the Covington Community & businesses for helping to make our trip possible. We would also like to thank them for their support over the past year. Our trip was a wonderful experience & one we will never forget.”
